Dear Prospective Vendor or Activity Presenter,

We welcome your participation as a vendor or activity presenter at Hamlin's annual Scream Fest. This is a day for the community to come together for a huge Halloween party! Scream Fest will take place on Saturday, October 5th from noon - 5pm on the Hamlin Town Hall grounds, 1658 Lake Road.

If you would like to participate at Scream Fest, please review the enclosed event overview, rules, and regulations. Complete the application form and return it to the address listed.

Applications are due by September 27<sup>th</sup>, 2019 with applicable vendor fee in order to be registered. If you would like to take advantage of the early registration discount of \$25 per 15'x15' booth space, please submit your application prior to May 1<sup>st</sup>, 2019. The regular fee of \$35 will be in place after 5/1/19. There is no charge for activity presenters if an activity is presented where festival attendees can participate free of charge. If a charge is required, then said activity presenter would be considered a "vendor".

Due to the nature of our event, we are looking for vendors/activities with Halloween specific themes/products; anything eerie, creepy, spooky, grim, gothic, macabre, or paranormal! We understand that consultants for companies may not be geared for that specifically, but we are looking for creative ways in which they can be. Please let us know how you would make your vendor space conform to Scream Fest. Also, we will permit no more than 1 representative per consulting company so first come, first served! All vendors will be subject to review so as not to enable too many types of the same product.

If you have questions or need additional information, please contact Hamlin Recreation at (585) 964-7222 or email [recreation@hamlinny.org](mailto:recreation@hamlinny.org).

Thank you. We look forward to seeing you!

Sincerely,

If a situation should arise where a vendor arrives after the Scream Fest has begun, The Hamlin Recreation Department reserves the right to not allow the vendor to participate in the event.

Upon arrival, Recreation staff will direct vendors to assigned spaces where they may set up. Personal vehicles must then be parked in a parking space designated for vendors. \*\*Vendors must be set up and ready to do business when the event opens at NOON and may not start selling until that time.
